BWAG led a Bluebell Walk through Bredhurst Woods on 26 April. This was attended by approximately 40 members and their guests. The walk was followed by a cream tea at Arran Bank Farm, thanks to Pam and Dennis Newman. The event raised almost £200.

A spring bird walk was held on 4 May, led by Owen Sweeney of the Kent Ornithological Society (KOS). It was very well attended and members requested that a Dawn Chorus walk be arranged.

The application to the Charity Commission for BWAG to become a registered charity has not yet been submitted. We are awaiting the return of the accounts for 07/08 from the auditor, which must accompany our application.
